Extension 612

Dear community member,

I am writing to you on behalf of the Wayne County High School Band to request your support for our upcoming trip to New York City, from April 17th to April 20th, 2025, our band has been invited to perform at Carnegie Hall, one of the most prestigious concert venues in the world. This is an extraordinary opportunity for our talented students to showcase their hard work and dedication on a national stage.

The Wayne County High School Band has a rich tradition of musical excellence, and we take great pride in representing our school and community to the highest standards. However, such a trip requires substantial financial resources, and we are reaching out to community partners like you to help make this trip possible for our students.

Your generous donation will directly support the costs associated with our trip, including transportation, accommodations, meals, and performance expenses. Additionally, your contribution will help ensure that every student has the opportunity to participate regardless of their financial circumstances.

In recognition of your support, we would be honored to acknowledge your organization as a sponsor in our concert programs, on our social media platforms, and during our pre-trip and post-trip events. Your logo will also be prominently displayed on our promotional materials.

Enclosed you will find further details about our trip, including the itinerary and a breakdown of expenses. If you have any questions or need additional information, please do not hesitate to contact me at the information above.

Thank you for considering our request. Your support will have a lasting impact on the lives of our students, fostering their passion for music and providing them with an unforgettable experience. Checks should be made payable to the WCHS Band Boosters. Mail to the address above.

Warm regards,

Andy Hursey  
Director of Bands

Christy Hursey  
Assistant Director of Bands
